

# Meet Ashley!

## Expert Planner

Congratulations on Your Engagement!

I became a Wedding Planner for many reasons, and it is not just because I am overly detailed & organized... Working with me as your Wedding Planner, your ideas and visions will become a reality. I will ensure that the happiest day of your life is everything you ever dreamed about and more! Every wedding day is so incredibly different; we will work together to create something as absolutely spectacular and unique as you! I will be there for you every step of the way, ensuring that you are relaxed, happy, organized, & confident. All of our months, or even years of planning, will come together seamlessly to create your Fairytale Wedding.

You and your fiancé will be able to focus on each other and celebrate your love and commitment to one another with your family & friends. All of my past clients say that their day went by way too quickly, but they were so thankful to have me there because I was on top of it all from beginning to the end. They didn't need to worry about a thing, and because of that, they were able to take it all in and enjoy every single moment with each other and their loved ones; which is exactly what I would love to do for you! When I am not planning weddings, I absolutely love spending time with my boyfriend, friends, family, & my Australian Shepherd pup named Louie. I also love to go to as many concerts as possible, snowboard, shop, watch my guilty pleasure TV Show - Real Housewives (I love them all), and to travel and see new places! I am a very happy, kind, adventurous, & creative person, who has a passion for this business & for making my client's dream wedding come true! ----- Things I love: My amazing family & friends, my Aussie pup Louie, a good glass of wine, being outside & walking around Downtown/Lake Michigan, brunching with friends, country music, my guilty pleasure - Bravo TV, going to sporting events and traveling! Things I wish I loved: Coffee, Tropical Fruits (allergic to most unfortunately), early mornings, and running. Things that inspire me: Traveling, my loved ones, music, architecture, acts of kindness, and love.
